## STOP PRESS SPECIAL !!!

### THE FINAL COMMUNITY CONTRIBUTION FOR 2017.

On Tuesday 19 December, the MenzShed Kapiti garden crew harvested their produce ready for consumption which they combined with donated canned and fresh home produce and made a delivery run to help out the Kapiti Foodbank supporting those people struggling to make Christmas special for their families.

It's a heartfelt thanks to you all for what you have done to make 2017 a memorable time to be around the place.

**Remember the first day for 2018 is Tuesday 9 January from 9.30am.**

A great big CHEERS to you all from the organising committee.
